“That in all things He might have the preeminence.”—

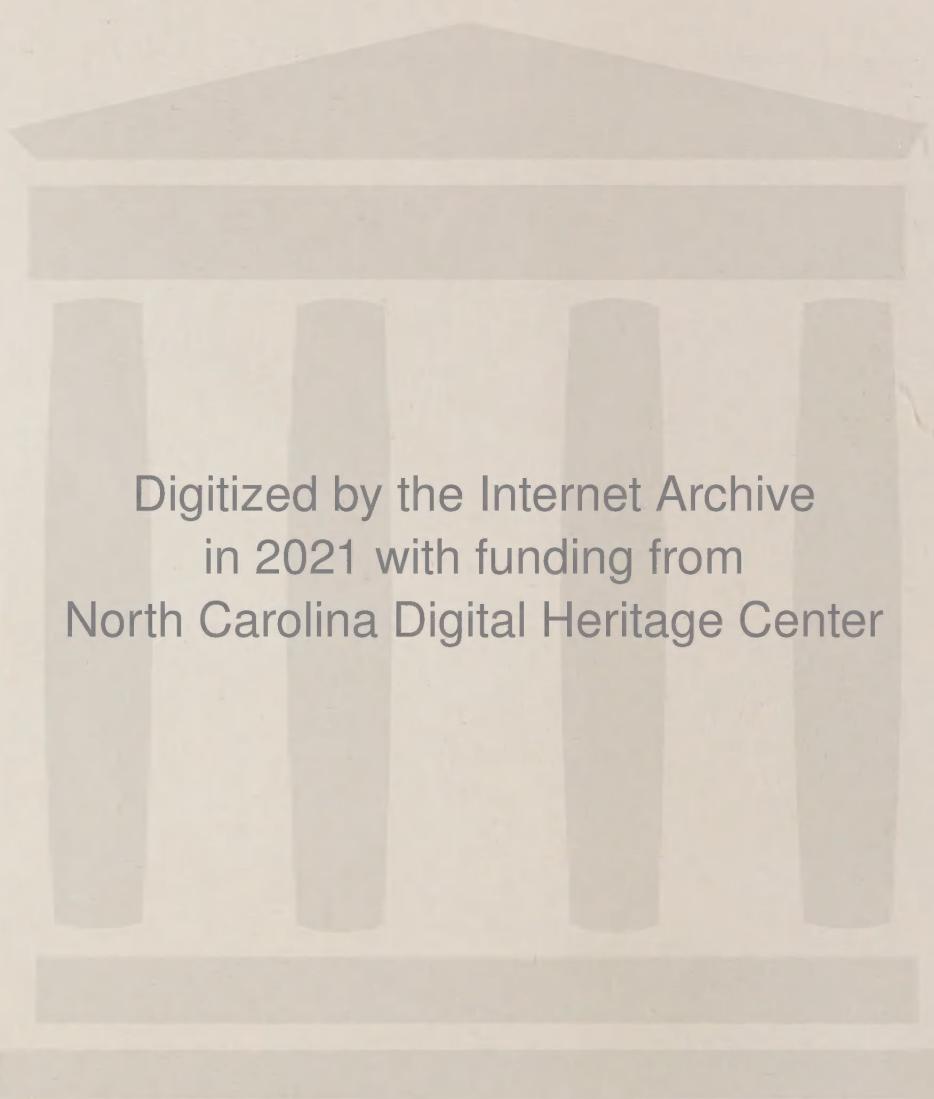

Col. 1:18

Mitchell College has served for eighty-seven years in the field of Christian education. She is proud of the rich tradition of her campus, of the service of her alumnae in home and state and church, of the high ideals of her present student body, and of the devotion of her Christian staff.

Believing the Bible to be the infallible word of God, the foundation of Christian faith, the bedrock of human liberties, and the guidebook of human behavior, Mitchell College seeks to make the Word of God central in all the curriculum and has a required course in Bible for all who receive certificates or diplomas.

Believing that young people are more and more finding that Christ alone satisfies and integrates life, Mitchell endeavors to make Him real in all her academic procedures and campus activities. *The College motto is “For His Glory.”*

MITCHELL COLLEGE

HISTORICAL SKETCH

GN 1852 Concord Presbytery began formulating plans for the establishment of a college for women. A charter was granted July 9, 1853, under the name of the Concord Presbyterian Female College. The following year the beautiful Doric building now standing in the central part of Statesville was begun. When nearing completion it was destroyed by a storm, June 9, 1855. The work of restoration was immediately undertaken, and the building was ready for the opening of the College, September 15, 1856. During the time of the restoration of the building a preparatory school was opened in January, 1856, in temporary quarters. Professor John B. Tinsley of Richmond, Virginia, was elected as the first president and served two years. After the retirement of President Tinsley the college came under the successive administrations of Professor E. W. Faucette, Rev. C. S. Millen, Rev. J. M. M. Caldwell, Rev. E. F. Rockwell, Rev. R. B. Anderson and Rev. Taylor Martin.

In 1873, because of financial conditions, the College was sold to Mr. R. F. Simonton of Statesville, and for the next twenty-three years was called Simonton Female College. From 1875 to 1883 Mrs. Eliza Mitchell Grant was the president. She was assisted by her sister, Miss Margaret Mitchell. Upon the death of Mrs. Grant, Miss Fannie Everett Walton served as president for eleven years. After her retirement the property would have been lost to the Presbyterian Church but for the noble and timely aid of Rev. J. B. Shearer, D.D. He purchased the property in 1896, repaired the building, and secured Captain J. B. Burwell to conduct the institution, which took the name at this time of Statesville Female College.

In 1900 Dr. Shearer deeded the property to Concord Presbytery, and for several years it was under the joint control of Concord and Mecklenburg Presbyteries. In 1907 through the

generosity of Mr. W. F. Hall and other friends, a large addition was made to the original building and, in honor of Dr. J. B. Shearer, was named Shearer Music Hall. Dr. John A. Scott's successful administration dates from 1900 to 1916. He was succeeded by Mr. J. M. Moore who served seven years. His successor was Rev. W. F. Hollingsworth. He was followed in 1924 by Rev. G. H. Ellmore, and during his term of five years the College became a standard junior college. Mrs. W. B. Ramsay, former president of the Woman's Synodical Auxiliary of North Carolina, was elected president in April, 1929, and under her management the College has had thirteen years of progress. During this administration young men have been admitted as day students.

In the sixty-first year of the life of the College, urged by the alumnae and approved by the trustees, Concord Presbytery changed the name of the institution to MITCHELL COLLEGE. The name was given as a mark of honor to Mrs. Eliza Mitchell Grant and Miss Margaret Elliott Mitchell, daughters of Dr. Elisha Mitchell—scientist, educator, and Christian gentleman. These daughters of Dr. Mitchell, as women of superior culture and educators of marked ability, continue to be an inspiration for noble attainment to the institution and to all its students.

LOCATION

The College is located in Statesville, North Carolina, a city of about twelve thousand population. It is in the heart of the industrial center of North Carolina and is easily accessible from all parts of the state by both train and bus service. Statesville is in the beautiful and healthful Piedmont section at the foot-hills of the Blue Ridge mountains. The altitude is 960 feet above sea level.

CAMPUS

The campus of Mitchell College is situated in the center of the city at the head of Broad Street, Statesville's principal avenue. Its elevation gives a commanding view and the

grounds are ample for tennis and basketball courts and other athletic games. The natural drainage of the grounds is perfect.

BUILDINGS

As shown in the frontispiece, the College building is a handsome structure. It is a three storied structure of stuccoed brick, ornamented by a lofty portico with six massive columns. The first floor contains the laboratories, classrooms, and auditorium. The auditorium has a seating capacity of five hundred and is equipped with a pipe organ and concert grand piano. On the second floor are the parlors, offices, studios, and library. On the third floor are the student lounge, the dormitory and the infirmary. The building is steam heated and lighted by electricity. The rooms are comfortably furnished. The buildings are adequately equipped with fire escapes. The gymnasium is located on the north campus. The President's home is situated just off the campus.

THE LIBRARY

The college library consists of three well equipped, attractive rooms containing 6,000 volumes. New editions of the encyclopedias and dictionaries required in junior colleges are supplemented by valuable reference works in the various classifications. New books, helpful and inviting in all departments, are being added to the shelves each year. Leading magazines and daily newspapers are available in the comfortable, well lighted reading rooms. The library, open at scheduled hours daily except Sundays, is supervised by a trained librarian and her assistants, who endeavor to meet the needs of faculty and students.

RELIGIOUS LIFE

The College is definitely Christian in its influence, discipline, and instruction. A credit course in the Bible is required

of every student in the College department. Chapel exercises, led by the president, are held four times a week and attendance is compulsory. All students are required to attend Sunday school and church.

The students attend the First Presbyterian church at least once every Sabbath, preferably at the morning hour of worship. However, by written requests of parents or guardians to the president of the College, students who are members of other denominations may attend their own churches.

Though owned and controlled by the Presbyterian church, the College is non-sectarian.

ADMISSION OF STUDENTS

Admission to Junior College

The entrance requirements are the same as in any standard four-year college or university. Graduates from accredited high schools will be admitted without examination. Graduates of non-standard high schools must present evidence of having passed the state high school college entrance examination. Application blanks and certification blanks for high school records may be obtained on application to the President. (See detachable blank on the first page of this catalogue.)

The certification blank must be filled out and signed by the principal of the school last attended by the applicant.

The application for admission blank should have the signature of the parent or guardian and must be accompanied by a registration fee of \$10.00 for room reservation.

The filing of an application for entrance shall be regarded as both an evidence and a pledge that the applicant accepts the standards and regulations of Mitchell College and agrees to abide by them.

Two units in the same language are required for admission. The language so presented must be continued as the required foreign language, or an elementary course in French or Spanish must be taken.

III. Emergency Provision for Entrance

Special provision is made for entrance to the College to students presenting eleven high school units, provided the student (a) is sixteen years of age, (b) has an academic rank-

ing placing him in the upper 60% of his class, and (c) passes certain prescribed achievement and aptitude tests. This is a war time emergency provision to accelerate the program of education. Those interested should write for particulars.

Summer School

Beginning in 1942, the College held two terms of summer school. Another twelve weeks' session will be held from June 7 to August 27, 1943. The object of the summer school is (1) to enable students to complete the junior college course in two summers and one nine months' term, thus making it possible to cover the requirements for the A.B. or B.S. degree in three years' time; and (2) to give the first year student making non-passing grades the opportunity to make up any deficiencies.

Details of the courses to be offered in the summer school will be published in a separate bulletin and can be obtained upon request from the Registrar.

GENERAL REGULATIONS

REGISTRATION

A student will not be permitted to register without a certificate of credits from the school previously attended. No student who has not been officially registered will be allowed to enter any class.

A student will not be allowed to change a course or to drop any subject except by permission of the committee on classification.

No student will be permitted as much as eighteen hours of work each week who does not show ability to carry the work.

No one will share the privileges of, or be classified as, a college senior who does not have a record of credit of twenty-six semester hours.

Special students taking as much as twelve semester hours of standard college work will be allowed class standing.

No class will be offered to fewer than five students.

ATTENDANCE

A tentative system of cuts has been adopted.

Three tardinesses will be counted as one absence. Three unexcused absences above the allowed cuts a semester will automatically drop a student from the class in which the absences are recorded.

Absences from class immediately before or after any given holiday will carry a double penalty.

GRADES

The grading system is as follows: A, represents Excellent; B, Good; C, Average; D, Passing; E, Failure, with the privi-

lege of a re-examination; F, Failure, without the privilege of a re-examination; I, Incomplete, denoting that the student has not completed the work of the course. An incomplete grade, unless raised to a passing grade within a year, becomes a failure without the privilege of a re-examination. W, denotes the official withdrawal from a course.

The year is divided into four terms of nine weeks each. Reports giving the class standing of the student are sent to parents or guardians at the end of the first, second and fourth terms. Only the semester grades are recorded on the permanent records of the college.

Two terms constitute a semester. At the end of each semester examinations are given. The result of these examinations combined with the grades of the two terms constitute the semester grade.

An examination for the removal of a conditional failure when requested by the student and approved by the president must be taken within the month following the regular examination. A fee of \$1.00 is charged for every re-examination.

QUALITY CREDITS

To be recommended to higher institutions, students at graduation must have to their credit sixty-two quality credits determined on the following basis:

- For each semester hour of A grade—3 quality credits.
- For each semester hour of B grade—2 quality credits.
- For each semester hour of C grade—1 quality credit.
- For each semester hour of D grade—0 quality credit.

REQUIREMENTS FOR GRADUATION

The Junior College diploma is given to students who complete a minimum of sixty-two semester hours of college work. A semester hour represents one recitation hour a week for a half year of college work.

Certificates showing work done will be awarded to irregular and special students upon the completion of approved courses.

A fee of \$5.00 is charged for a diploma and \$3.00 for a certificate. No diploma, certificate, school honors, or records of credit will be given until all accounts with the College are settled.

HONORS

College honors are awarded to the members of the graduating class who have maintained through their junior and senior years the high average of 90% in scholarship.

Class honors are awarded to those who attain an average grade of 90% in each study or to those who make a general average of 90% during any one year.

Names of students who receive honors are announced at commencement each year and are recorded in the annual catalogue.

GENERAL INFORMATION

Health

The health of students is considered of primary importance. Each student is required to take prescribed forms of physical exercise under the supervision of a director of physical education. Healthful open-air sports are encouraged. The table is supplied with an abundance of wholesome food. The cooking is under supervision of an experienced dietician.

When a student is so indisposed as to be unable to go to the dining-room for meals she is sent to the infirmary. Being in the infirmary does not necessarily mean serious illness. Parents will be notified promptly of any serious illness of their daughters.

The medical fee covers the simple medicines dispensed from the infirmary. All other medicines given upon prescription are to be paid for by the student. When a physician other than the College physician is called, the fee is to be paid by the patron. The services of a trained nurse, if required, are to be paid for by the patron.

All inquiries regarding the health of the students should be addressed to the dean of students.

Parents are requested to have their daughters' eyes examined, glasses fitted, and dental work done, as far as possible, before they leave home.

Visiting and Visitors

Students will not be permitted to receive visitors during class or study hours.

No visitors, except members of the immediate family, are allowed on Sunday. These are requested to come after quiet hour.

Visitors are not permitted to the private apartments of students except by permission of the dean of students.

Dating privileges are granted at the discretion of the dean of students.

Except for home visits written permission from the parents or guardian of the student must be filed with the dean of students to spend week-end away from the College. Such permission will then be granted only at the discretion of the dean.

Students will not be permitted to go out in the evening or to ride except when chaperoned by a teacher.

Students will not be permitted to spend the night in town except with parents.

Students arriving by bus or train will be met at the station. The dean of students or the business office should be notified of the time of arrival of students.

Students are subject to college regulations at the time they arrive in Statesville. They may not have stay-over privileges in Statesville during holidays or after commencement without parental permission and the approval of the dean of students.

No one may invite a guest to be entertained in the College without first obtaining permission from the dean of students. A nominal charge is made for guests.

Furnishings

The College supplies each room with single beds, dresser, wardrobe, chairs, and pillows. Each student should bring with her sheets, blankets, counterpanes, pillow-cases, towels, tea-spoon, drinking glass and any articles such as rugs, curtains, and ornaments desired for her room.

Dress

It is earnestly desired that students dress neatly and

simply. They should have one evening or dinner dress and dresses suitable for church and street wear. In every possible way extravagance in dress is discouraged.

The gymnasium suits may be purchased at the College—price \$1.75. Tennis shoes are part of the required equipment.

Publications

In addition to the annual catalogue, the College issues a yearly handbook and sends out a quarterly bulletin.

The student publications are the annual, *The Circle*, and the monthly paper, *Campus Comments*.

Important Regulations

Parents are requested not to give general permissions conflicting with the regulations of the College.

A resident student is not allowed to make bills in the city unless the patron writes a personal letter to the President giving such permission.

The College will not be responsible for money, jewelry, clothing, or other articles left carelessly about in the room or anywhere in the building.

The borrowing of textbooks, clothing, jewelry, and other articles is discouraged.

Dancing, card playing, and smoking are prohibited.

Damage to College buildings or property will be charged to the one doing the damage.
